EDUCATION
University of Houston- Houston, Texas   Expected Date of Graduation: **May 2026**
Bachelors of Science, Computer Science
GPA: 3.62

SKILLS
Technical Skills: Python, C++, HTML5, CSS, Node.js, Server Management, JavaScript
Tools & Platforms: GitHub, Amazon AWS, Twilio, Visual Studio, Obsidian, MongoDB, Unity

PROJECT EXPERIENCE
BirdNET Local Server Deployment, University of St. Thomas   July 2024
- Collaborated with the official herpetologist of Texas and a doctorate professor from the University of St. Thomas on a conservation project.
- Assisted in setting up and managing a local server for BirdNET, a machine learning-powered tool used for identifying bird species from audio recordings.
- Automated server tasks using Python and Bash for real-time audio processing.
- Integrated BirdNET with existing conservation tools and provided ongoing technical support.

Real-Time Chat Application   Feb 2025
- Developed a full-stack real-time chat application using Node.js, Express, Socket.IO, and MongoDB.
- Implemented user authentication, secure session handling, and a responsive interface for seamless multi-device use.
- *Enabled instant two-way communication with high reliability and usability.* https://shorturl.at/AIoJn

WORK EXPERIENCE
Software Engineer Intern
Docupath Data Analytics LLC.   Aug 2023 – May 2024
Houston, TX
- Integrated Twilio SMS into the app and utilized real-time data to monitor market volatility.
- Gained experience with GitHub collaboration, Amazon AWS, and Microsoft Azure.
- Utilized environment variables for secure third-party service integration.
- Worked closely with a mentor that guided me and gave insights into topics I was not familiar with.

Resident Advisor
University of Houston – Student Housing and Residential Life   Aug 2023 – May 2025
Moody Towers Residence Hall
- Oversaw the well-being of 30 residents, facilitating conflict resolution and community-building events.
- Managed time between an 18-credit-hour academic workload and RA responsibilities.
- Named Resident Advisor of the month, for the month of November 2023.

LEADERSHIP EXPERIENCE
Academic Chair
University of Houston Tau Kappa Epsilon Fraternity   Sept 2023 – May 2024
Epsilon - Omicron
- Appointed as the Academic Chair for Tau Kappa Epsilon fraternity, demonstrating leadership and dedication to academic excellence within the organization.
- Improved chapter GPA from 3.1 to 3.36 by holding members accountable and creating personalized study plans.
- Balanced academic and fraternity responsibilities while driving the chapter's academic success.
